ON PETITION

This is a decision on the petition under 37 CFR 1.378(c), filed on February 8, 2012, to accept the delayed payment of a maintenance fee for the above-identified patent.

The petition is **dismissed**.

A petition to accept the unintentionally delayed payment of a maintenance fee under 35 U.S.C. § 41(c) and 37 CFR 1.378(c) must be accompanied by: (1) a statement that the delay was unintentional; (2) payment of the appropriate maintenance fee, unless previously submitted; (3) payment of the surcharge set forth in 37 CFR 1.20(i)(2). The petition lacks item (1) above.

With respect to item (1) above, the statement of unintentional delay is not considered to be submitted by a proper party as required by 37 CFR 1.378(d), which states that any petition under this section must be signed by an attorney or agent registered to practice before the Patent and Trademark Office, or by the patentee, the assignee, or other party in interest.

In this regard, the petition is signed by one of two inventors. An unsigned paper or one not properly signed by a person having authority to prosecute an application or patent is not entered. Therefore, a properly signed petition under 37 CFR 1.378(c), by all the inventors is required, unless there is an assignee of entire, right, title and interest that complied with the requirements of 37 CFR 3.73(b).

37 CFR 3.73(b) provides that: (1) when an assignee seeks to take action in a matter before the Office, the assignee must establish its ownership of the property to the satisfaction of the Commissioner; (2) ownership is established by submitting to the Office, in the Office file related to the matter in which action is sought to be taken, documentary evidence of a chain of title from the original owner to the assignee (e.g., copy of an executed assignment submitted for recording) or by specifying (e.g., reel and frame number) where such evidence is recorded in the Office; (3) the submission establishing ownership must be signed by a party authorized to act on behalf of the assignee; and (4) documents submitted to establish ownership may be required to be recorded as a condition to permitting the assignee to take action in a matter pending before the Office. A blank Statement under 37 CFR 3.73(b) is enclosed for petitioner's convenience.

Further, it is noted that the correspondence address of record differs from the address given in the present petition. Therefore, a courtesy copy of this decision is being mailed to the address given in the petition. Thereafter, all future communication from the Office will be mailed solely to the correspondence address/fee address of record.

If reconsideration of this decision is desired, a petition for reconsideration under 37 CFR 1.378(e) must be filed within **TWO (2) MONTHS** from the mail date of this decision. No extension of this two-month time limit can be granted under 37 CFR 1.136(a) or (b). This is **not** a final agency action within the meaning of 5 U.S.C. § 704.

Any petition for reconsideration of this decision must be accompanied by the petition fee of \$400 as set forth in 37 CFR 1.17(f). The petition for reconsideration must include the lacking item(s) noted above, since, after a decision on the petition for reconsideration, no further reconsideration or review of the matter will be undertaken by the Commissioner.
